A person participating in a meeting by such means is considered to be present at the meeting and counted for the purposes of quorum.

5.1.8 If, in a meeting assisted by electronic means, the technology does not provide a method of voting that protects the identity of the voters, any requirement for a secret ballot in the Branch's bylaws is waived and a vote using the technology's voting system is considered to be sufficient for all purposes.

Appeal

- 5.3.4 The former Branch board/executive may, within 60 days of receipt of a notice of disciplinary action, provide the Board with evidence refuting the alleged non-compliance and request that the order be rescinded. Following review of the Branch evidence, the Board shall make a decision, which shall be final.
