

The GREEN Card

The National Association of Federal Retirees has developed five bingo game cards to use during the national leaders debates being held on October 7 (in English) and October 10 (in French), and we're asking you to watch the debate and play along with us!

To play, visit our Facebook pages on October 7 and 10 for livestreams on these two debates. The prize? A clear understanding of where the national party leaders stand on our four key issues! (And bragging rights, of course!)

Every time any of the party leaders bring up one of these issues, check that box! Remember, any line (horizontal, vertical or diagonal) is a winner!
