

# The PURPLE Card

The National Association of Federal Retirees has developed five bingo game cards to use during the national leaders debates being held on October 7 (in English) and October 10 (in French), and we're asking you to watch the debate and play along with us!

To play, visit our Facebook pages on October 7 and 10 for livestreams on these two debates. The prize? A clear understanding of where the national party leaders stand on our four key issues! (And bragging rights, of course!)

**Every time any of the party leaders bring up one of these issues, check that box! Remember, any line (horizontal, vertical or diagonal) is a winner!**
